Cryojuvenate offers groundbreaking, affordable wellness services designed to help your body optimize sleep, boost athletic recovery, and speed healing.

Whole-Body Cryotherapy sessions are shown to help with the reduction of pain, chronic inflammation, and fatigue; it also provides stimulation of the mind and body.

Other services include Facial Cryotherapy, Fat Freezing and Body Sculpting Cryotherapy, CRYOPEN, EMS Medisculp (muscle building), Sports Massage, Red Light Therapy and Theragun.

Our infusions target a variety of wellness needs, replenishing hydration, assisting recovery from illness, jet lag, and hangovers, restoring vitamin and nutrient levels, refreshing the cosmetic appearance, and revitalizing your overall well-being.
