Cryojuvenate offers groundbreaking, affordable wellness services designed to help your body optimize sleep, boost athletic recovery and speed healing.

Whole body cryotherapy stimulates the mind and body. Sessions are shown to help with the reduction of pain, chronic inflammation and fatigue.

Other services include local and facial cryotherapy, LipoFreeze® fat freezing, CryoPen®, EMS Medisculp, sports massage, red light therapy, Theragun® and compression therapy.

Did you know we also provide IV drip, vitamin injection and blood profiling services through 'Get A Drip Sevenoaks' located here at Cryojuvenate?

Restoring vitamin and nutrient levels, refreshing the cosmetic appearance, and revitalizing your overall well-being are just a few of the benefits.
